Hospice Face to Face Campaign Kick-off

Date and Time: Tuesday, August 15 9:00 am

Address: 6038 Empress St.

It's that time of year once again, and we couldn't be more excited to kick off our 21st Annual Face to Face Campaign!

Each year, the Face to Face Campaign raises funds for the Fairley Family Transportation Program, which provides rides to medical appointments for Hospice patients and families across our community.

Last year, we were excited to kick off a new, impactful addition to the program – The G.E.N.I.E. Program (Granting Exceptional N' Impactful Experiences)! This new program offers the opportunity for patients receiving Hospice care, whether in our Hospice Residences, or in their own home, to request special trips or outings.

Thanks to our partners at the County of Essex and Essex-Windsor EMS, we have been able to provide safe and accessible rides to patients who want to attend one last family reunion, or spend a few hours at a local park, or even visit their family home one last time – creating a memorable experience for them and their loved ones.

How can you help support these memorable moments and much-needed rides?

- Collect pledges from friends and family as a Face to Face Canvasser
- Make a personal donation online, through the mail, or in support of a Face to Face Canvasser
- Spread the word about Face to Face!

For more information on how to support Face to Face, please call 519-974-7100 or visit <https://www.thehospice.ca/event/hospice-face-to-face-campaign-2023/>.
