The Corporation of the Town of Lakeshore

By-law 52-2020

Being a by-law to Adopt a Municipal Cannabis Policy Statement

Whereas, the *Municipal Act, 2001*, S.O. 2001, c 25, Section 8 provides that a municipality has the authority to govern its affairs as it considers appropriate and enables the municipality to respond to municipal issues; and

Whereas, Ontario Regulation 468/18 made under the Cannabis License Act, 2018 provides for the authorization and operation of cannabis retail stores; and

Whereas, the Alcohol and Gaming Commission of Ontario will have a 15 day window for public and municipal comments for each store site proposed by an approved operator; and

Whereas, it is deemed necessary and desirable that the Council of the Corporation of the Town of Lakeshore enacts a by-law adopting the Municipal Cannabis Policy Statement to provide for a policy statement to allow for comments to be provided in a timely manner;

Now Therefore the Council of The Corporation of the Town of Lakeshore hereby enacts as follows:

1. That the Municipal Cannabis Policy Statement attached as Schedule "A" to this by-law is enacted; and,
2. That this by-law comes into full force and effect on the date of its passing.

Read and passed in open session on July 14, 2020.

Schedule “A” to By-law 52-2020

Municipal Cannabis Policy Statement

1.0 Purpose and Scope

- 1.1** The purpose of this policy statement is to provide input related to proposed cannabis retail outlets to the Alcohol and Gaming Commission of Ontario (AGCO) as well as help prospective recreational cannabis retailers in their consideration of location of cannabis retail stores in the Town of Lakeshore.
- 1.2** This policy applies to all prospective recreational cannabis retailers and properties in the Town of Lakeshore.

2.0 Definitions

- 2.1** “AGCO” is the Alcohol and Gaming Commission of Ontario.

3.0 Policy

- 3.1** Bill C-45, the Cannabis Act came into effect on October 17, 2018. The Act legalizes access to recreational cannabis in Canada and controls and regulates how cannabis is grown, distributed and sold. In Ontario, the Cannabis Licence Act, 2018 and Ontario Regulation 468/18 provide the Registrar of the Alcohol and Gaming Commission of Ontario (AGCO) with the authority to establish standards and requirements respecting the licensing of retail cannabis store.
- 3.2** AGCO is the provincial authority that licenses cannabis retail operators, authorizes cannabis retail locations and licenses senior store staff. Municipal governments have no licensing authority.
- 3.3** The AGCO regulates and reviews all aspects of the retail operation to ensure that the proposed store location is consistent with the public interest. Public interest is defined in the regulations (O. Reg. 468/18) as public health or safety, protecting youth and eliminating the illegal market. AGCO has already mandated a 150 metre setback from schools where no retail cannabis store would be permitted to be located.

- 3.4** For each store site proposed by an approved operator, the AGCO will have a 15-day window for public and municipal government comments. Comments must focus on whether a proposed location is in the public interest as defined in the regulation. AGCO is not obligated to reject a store licence where public or municipal government comments are unsupportive of a proposed location.
- 3.5** On December 10, 2019 Council made the decision to allow retail sales of recreational cannabis in the Town of Lakeshore. This policy statement provides municipal staff with guidance on commenting to AGCO when notice on a specific proposed cannabis retail store site is provided on the site location. It also helps prospective recreational cannabis retailers in their consideration of location of cannabis retail stores in the Town of Lakeshore.
- 3.6** Land Use Planning: The provincial licensing process does not remove the requirement to comply with the zoning by-law and other municipal planning documents. The definitions within the municipality's Official Plan and Zoning By-law are applicable to all retail, including cannabis retail stores. Retail sale of cannabis from a provincially licensed store is legal and is a permitted use in the retail zones.
- 3.7** Municipal Building Inspections: while the licencing of the store operation is the responsibility of the AGCO, the Building Code applies to cannabis retail store locations. Therefore, where a building permit is required, the building inspector will undertake duties as usual. Fire Code compliance is also mandatory.
- 3.8** For the purposes of this policy statement, a cannabis retail store shall mean a store licensed by the AGCO.
- 3.9** The Town of Lakeshore acknowledges that retail cannabis stores are a permitted use in areas zoned for retail stores within the Town's Zoning By-law, 2-2012, as amended. Lakeshore Zoning By-law 2-2012 permits retail uses in the: Hamlet Commercial (HC), Service Commercial (CS), Central Area (CA), Neighbourhood Commercial (CN) and Mixed Use (MU) zones. Retail is a permitted use in some site specific zones as well. In order to help ensure public health and safety, protect youth, and reduce illegal sales, retail cannabis stores are discouraged where nearby properties are designed to serve youth or other sensitive facilities that service persons with mental health or addiction challenges, in accordance with Appendix A attached to this policy (see Section 6.1 below), which identifies each sensitive facility and its separation distance.

4.0 Responsibilities

- 4.1** It is the responsibility of the Manager of Development Services to ensure staff are aware of the policy.

5.0 Consequences

- 5.1** Failure to follow this policy may result in a cannabis retail store being located too close to a sensitive land use and the AGCO not receiving comment in accordance with this policy from the Town of Lakeshore.
