Parks and Recreational
Amenities

County of
Essex

COUNTYOFESSEX.CA

Initial Round of Consultation – Key Takeaways

Shortage of Shovel-Ready Lands is Only Going To Get Worse

Housing Affordability

Meeting the Growing Demand for Health & Emergency Services

Continuing to Grow While Protecting Important Agricultural & Natural Heritage Lands

Working Collaboratively to Effectively Compete With Other Regions

CHALLENGES & ISSUES TO BE ADDRESSED

Preparing & Protecting Our Communities From More intense And More Frequent Storm & Heat Events

Giving People Real Mobility Choices

Attracting & Retaining the Skilled Labour Force Needed

Making Sure Transit is Accessible, Convenient & Affordable

Designing and Building Complete Communities

Giving Residents More Options to Live Sustainably & Reduce Their Carbon Footprint

County of
Essex

COUNTYOFESSEX.CA

Initial Round of Consultation – Key Takeaways

Take a more active role in coordinating and applying for infrastructure funding from senior levels of government

Coordinate and plan for expanded transit services county-wide

Adopt a county-wide DC Fee to help fund transportation-related infrastructure needed to support growth

OPPORTUNITIES THE COUNTY SHOULD BE FOCUSING ON

Simplify/Streamline Development Approval Process, and have 1 common Expedited Approval Process across the county

Plan for 1 or 2 large scale fully serviced “County Industrial Parks”

Convert Surplus/Underutilized Commercial Lands for new rental housing, and provide incentives for new affordable housing

Initial Round of Consultation – Key Takeaways

Adopt Best Practices that are proven to be effective

Focus on quality of life, sustainability and housing affordability

Provide county-wide targets for natural heritage protection

Continue to plan and invest in active transportation

Implement targeted CIPs at county and local level to support job creation objectives

HOW THE COUNTY OP CAN IMPROVE THE HEALTH, WELL-BEING & PROSPERITY OF COUNTY RESIDENTS

Stronger Policies & Investments to make neighbourhoods more walkable and communities more complete

Adopt policies that creates greater access to food that is produced locally for county residents

Create inviting public spaces and mandate tree planting along all streets

Adopt policies and make investments in built forms that support transit service county-wide

Based on the high end of the 30 year growth forecast, all 7 local municipalities are forecast to experience growth at higher levels than what was actually experienced during the last 20 years

These forecasts have been revised, based on feedback/input received from senior planning staff from local municipalities

Next Steps

- ✓ NPG Planning Solutions have been retained to assist with the completion of Phases 2 and 3 of this OP Review
- ✓ On April 5th a public meeting (pursuant to Section 26(3) of the Planning Act is being held by Council to: (i) to allow the public to provide input on issues and matters to be addressed in this OPR; and to provide County Council with more detailed information about key project milestones, additional consultation to be undertaken, and the project deliverables leading to the preparation and adoption of the County's New Official Plan
- ✓ On April 6th TPAC (senior planning staff from each local municipality) will be meeting with County Staff and the OP Consultants. This will be the first of many meetings which will be held during Phases 2 and 3 to keep local staff informed, and to obtain their input and feedback as work is being undertaken
- ✓ December 2023 is the target date for presentation of the draft of the County's New Official Plan (with adoption to occur in early 2024)
